Purpose of this Research

The purpose of this research is to reveal some aspects of the partnership mechanisms amongst sister universities and their students, especially from the viewpoint of the management of inter-institutional mobility programs.

Project Description

If you agree to participate, you will complete an online survey regarding your learning experiences abroad which is likely to take 5-10 minutes. This research project is approved by the Research Committee of the Center for International Education and Exchange, Osaka University (R5-002) and supported by JSPS Grants-in-Aid for Scientific Research (20K20825 and 20KK0052).

Your Rights

Confidentiality

As you will see, you may participate in this survey anonymously if you wish. The data obtained will be treated by the researcher with absolute confidentiality. The data will be stored on the researcher's computer, but since this does not contain any information that would identify a participant, it will be impossible to trace the data back to its origins. All research records will be destroyed upon completion of the project.

Asking Questions at Any Time

You may ask questions about the research at any time. Please mail or call the researcher above as necessary.

Withdrawal at Any Time

You may withdraw from the study at any time and choose not to perform the tasks. You may also request that your data be destroyed, without any adverse consequences.

Benefits and Risks

There will be no direct benefit to the research participants.
There are no risks or discomforts involved in this study.

If you understand and agree to the above, please click the link below and answer the questions.
